

RIDE THE FRIENDLY

PELICAN HOPPER!

IT'S FREE!

The **air-conditioned Pelican Hopper** is a great way to get around Town. The shuttle starts at **Publix Supermarket** and heads south on Bougainvillea Drive to the **Galt Ocean Mile** in Fort Lauderdale (where you can connect to **Broward County Transit** buses) before heading north to **Terra Mar Island** (at the Town's northern boundary); the shuttle then returns to Publix to start another complete route. The shuttle has specific stops, but the driver will **pick you up** or **drop you off** almost anywhere **you need** along the route.
